

You have been

GHOSTED!

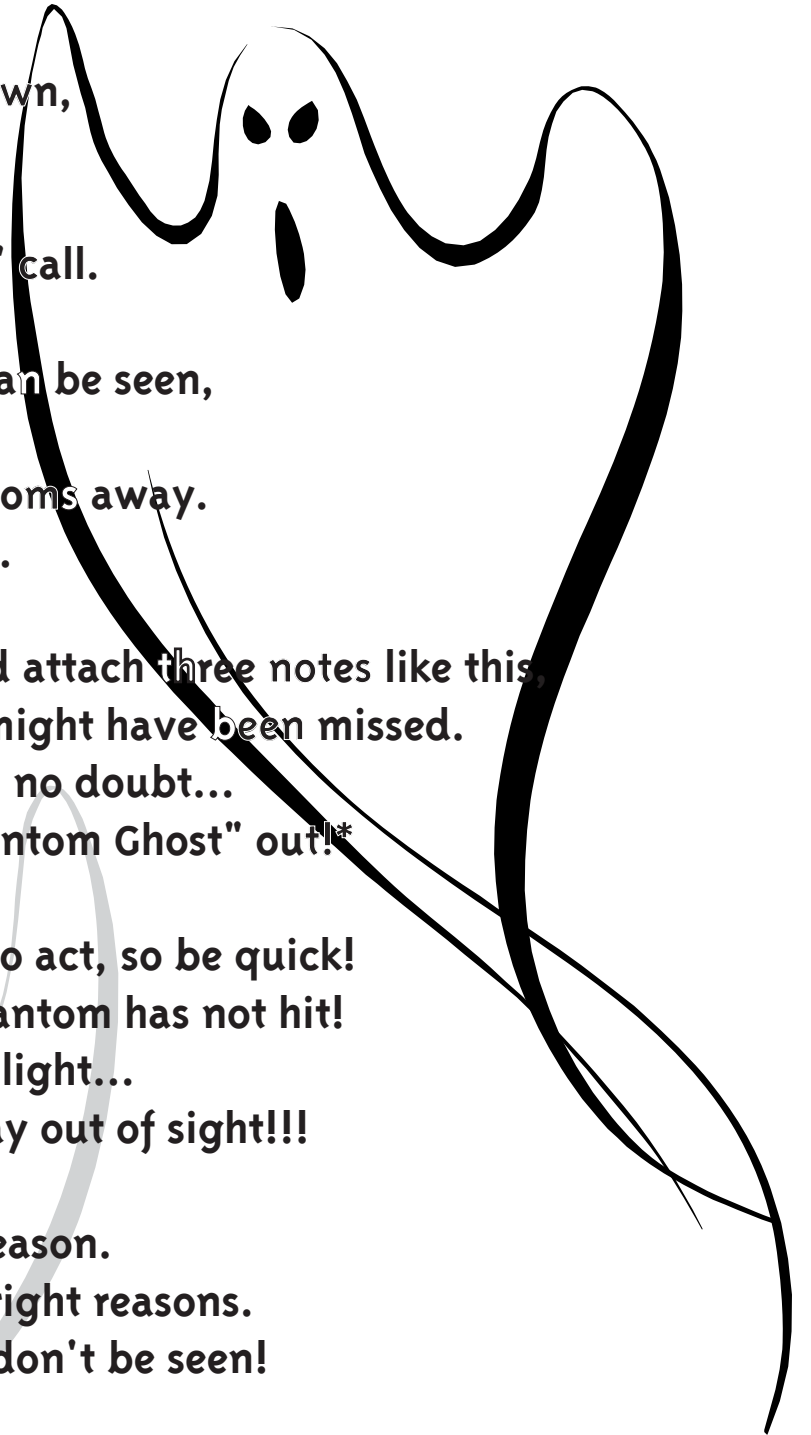

The Phantom Ghost has come to town,
To leave goodies you have found.
If you do not wish a curse to fall
You must continue this "Phantom" call.

First, post this Phantom where it can be seen,
And leave it there till Halloween.
This will scare other visiting Phantoms away.
Be sure to participate, don't delay.

Second, make three treat bags and attach three notes like this.
Deliver it to three neighbors that might have been missed.
Don't let them see you, be sneaky, no doubt...
And make sure they put their "Phantom Ghost" out!*

Next, you will have only one day to act, so be quick!
Leave it at the doors where the Phantom has not hit!
Deliver it at dark when there is no light...
Ring the doorbell and run, and stay out of sight!!!

And last but not least, enjoy the season.
Don't worry, be happy for all the right reasons.
Be cool, have fun and remember, don't be seen!
Share the Spirit of Halloween!!
