

Get into the **CHRISTMAS SPIRIT**

The Christmas Spirit has come around
To leave these goodies you have found.

Post this spirit where it can be seen...
On a door or window until Christmas eve.

Then other spirits will not visit this year.
They'll move on and continue to spread good cheer.

Now you've been blessed with yuletide cheer.
You'll feel joy and love throughout the New Year.

So...another Christmas-time mystery has begun.
Thanks for sharing in this neighborly fun.
